

Friends of the Alaska State Museum

Do you have time on your hands?

Would you like to:

- Choose your on job?
- Name your own hours?
- Volunteer your services?
- Meet new people and have fun?

The Friends of the Alaska State Museum are charged with supporting and promoting the goals and missions of the Alaska State Museum. We cannot do this without the participation of many dedicated volunteers. These opportunities are varied, challenging, and rewarding.

Some areas in which you can help include:

- Working in the Museum Store
- Hospitality
- Mailings and publicity
- Special programs and events

We also have many committees that would welcome new members. If you would like to share your talents and time in support of the museum, please complete the following and return to the FASM office at 395 Whittier, Juneau, AK 99801 or fax number 465-2976. Call the FASM office if you have any questions or to discuss your areas of interest at 465-4845 or e-mail FASMSTORE@gmail.com.
